Tripp Lite—Trusted Worldwide for Reliable Power Protection and Connectivity Solutions

POWER PROTECTION

UPS Systems—Support uninterrupted operation and protect equipment from blackouts, brownouts, surges and line noise. SmartOnline™ double-conversion, SmartPro® line-interactive and standby models. Single-phase models from 300VA to 20kVA and 3-phase models from 20kVA to 80kVA (320kVA in parallel). Hot-swappable power modules, N+1 redundancy, extended runtime, energy-saving features and remote management available.

Surge Suppressors—Protect equipment from damaging surges and line noise. Isobar® premium models with isolated filter banks, economical Protect It!™ models with best-in-class joule ratings, energy-saving features and data line protection available.

CONNECTIVITY

KVM Switches—Control multiple computers from a single keyboard/monitor/mouse console. Up to 32 ports per 1U. Expand to control hundreds of servers. Built-in LCD consoles, Cat5 cabling, support for multiple concurrent users and IP remote access available.

IP Console Servers—Secure in-band and out-of-band access to 1,000+ network- and serial-connected devices through a single IP address. Up to 48 RJ45 serial ports per 1U.

Cables & Connectivity—Network (fiber-optic, Cat5/5e/6/6a), computer (USB/FireWire®), display/digital signage (Easy Pull, over Cat5, analog video, VGA, DVI, HDMI), storage and power cables. Adapters, splitters, patch panels, switches, extenders and hubs also available.

MORE SOLUTIONS

Rack & Cooling Solutions—SmartRack™ premium rack enclosures (12U to 48U), open frame racks (13U to 45U), wall-mount rack enclosures (6U to 26U), wall-mount open frame racks (2U to 22U) and a full line of rack accessories. Cooling solutions include active and passive heat removal, portable air conditioning units and hot-aisle/cold-aisle support.

Power Distribution Units—Single-phase and 3-phase rackmount PDUs with up to 48 outlets. Load meters, network interface, remote outlet control and ATS available.

Additional Products—Healthcare solutions (UL 60601-1), power strips, external battery packs, replacement batteries, power management tools, TAA-compliant solutions, inverters, inverter/chargers, Keyspan® remote controls, line conditioners, DC power supplies, isolation transformers and laptop computer accessories.
